## Guideline fees for 2009

Although there may be individual variations in particular cases, the following are reasonable estimates of our fees for the procedures noted:

Item	Fee (£)
Consultation (if required)	30*
Surgical Extraction (including routine 3rd molars)	98
Removal of 3rd molars requiring root/crown division	110
Single unit implant, restored	1850
Single implant (placement only)	1155
Multiple fixed implant units, restored 550 (per pontic)	1850 (per abutment)
Denture retained by conventional implants from	4000
Mini-Implant-retained overdenture from	2000
Guided bone regeneration (per site)	210
Block grafting and sinus surgery from	500

\*This fee will be deducted from the total cost of implant-related treatment on completion in cases where the patient proceeds with treatment. A separate consultation may not be required for conventional minor oral surgery if sufficient information can be obtained from the referral.
