

## Surgical Referrals

### Guideline fees for 2011

Although there may be individual variations in particular cases, the following are reasonable estimates of our fees for the procedures noted:

Item	Fee (£)
Consultation (if required)	32.20*
Digital OPT	47.30
Surgical Extraction (including routine 3 <sup>rd</sup> molars)	110.20
Removal of 3 <sup>rd</sup> molars requiring root/crown division	120.70
Single unit implant, restored	2024
Single implant (placement only)	1298
Multiple fixed implant units, restored	2024 (per abutment) 562 (per pontic)
Denture retained by conventional implants	from 3200
Mini-Implant-retained overdenture from	2200
Guided bone regeneration (per site)	236
Block grafting and sinus surgery from	525

\*This fee will be deducted from the total cost of implant-related treatment on completion in cases where the patient proceeds with treatment. A separate consultation may not be required for conventional minor oral surgery if sufficient information can be obtained from the referral.
